### HOPE GAP

Staring  
Bill Nighy  
Annette Bening  
Josh O'Conner

“Grace lives an idyllic life in a British seaside town, but her world comes crashing down when her husband of 29 years tells her he's leaving her for another woman. Through stages of shock, disbelief and anger, and with support from her son, Grace ultimately regains her footing while learning it's never too late to be happy”.

If you or some of your friends can't make it, let Tony know. He might be able to resell your tickets. If you don't know if you've paid, give Tony a call after Saturday the 3rd. 027 220 3773 *(He will be back home by then.)*

## President David comments...

Fellow Lions

Well, here we are again. Denis keeps asking me to prepare a report, which at the best of times I find a challenge. In these Covid-19 days, even more so with most things being cancelled.

As you read this, our "Pot Luck Italian Dinner", is almost upon us; my sincere thanks to all those who worked to make it the success, I am certain it will be. To those unable to be there let us hope you can make it to our next occasion.

Looking forward to our movie night outing, Hope Gap. I hope you have all got your tickets and will be bringing some of your friends along. (That is, for those who have some to bring along. Laughing emoji).

Once again my thanks for those out there organising this; Shona and Tony.

It would appear that our Sausage Sizzle set down for the 10<sup>th</sup> October may not take place, so we will look, Covid permitting, we might be able to commence on the 21<sup>st</sup> November.

Sales of the calendars are progressing. However, we all need to get behind this very worthwhile project, so please get out there and sell.

Sincerely  
David

## Another Business Meeting on ZOOM Wednesday, September 16, 2020

**T**he Covid contagion curse clouds us again. Once more we gathered with glee in cyberspace to discuss and decide on worthy issues, thanks to the ZOOM App arrangements set up by our district Global Leadership Team leader Lynda Halverson.

An appropriate candidate for our support to join an Outward Bound course has been identified for interview through the Ormiston Police, for possible inclusion in the April '21 intake.

Our LEO club at Howick College is reported by LEO Advisor Rex as being 'in good shape'. 18 members will soon be formally inducted by their own personnel, as current Covid-19 conditions preclude Howick Lions from visiting the College. Our meeting recommended that monthly contact with our LEO club should become standard procedure. PDG Ian has elected to step away from LEO liaison, and the club wishes him well with huge thanks for his experienced and influential knowledge and thoughtful guidance.

With regret, & mindful of the Covid risk to aging folks, we have decided to cancel this year's Christmas lunch for our local Seniors; to be replaced perhaps, with a 'mid-year party' event, Covid status permitting. TBC.

These Covid roller-coaster conditions may mean our imminent October meetings at DMG could all be cancelled until lockdown restrictions are freer— to be confirmed. If so, 'Plan-Bs' will need to kick in. TBA

With the Covid changes upsetting many plans Tony & Shona have offered 11s on Sunday November 15 at their place; thank you folks. TBC

## PEACE IS THE PATHWAY

**Peace Poster contest inspires generations of students  
2019 - 2020 Peace Poster contest winner**

**W**hile the world has been turned upside down with a global health crisis, the annual LCI Peace Poster Contest seems ever more relevant. 2019-2020 Grand Prize Winner is a 13-year-old young man Zhuo Zhang from China, sponsored by the Shaanxi Datang Lions Club (near Xi'an) for his poster depicting a backpacker carrying a torch of peace.

Zhuo Zhang imagined a colourful peace envoy carrying a backpack made up of the national flags representing people from different countries uniting and going forward together. "The glowing walking stick of peace brings power to people all over the world" explained Zhang. "The olive branches growing from the wasteland and the lovely doves flying around him represent new power, giving hope and strength to people suffering and living in the shadows".

Zhang's winning poster sponsored by the Shaanxi Datang Lions Club was selected for its originality, artistic

merit, and portrayal of this year's theme, 'Journey of Peace'. But he was concerned most about inspiration. "I sincerely hope my painting may inspire more people to value peace," he said. "Let us get together for peace and a better future."

2019-20 Grand Prize Winner Zhuo Zhang holds his winning work

**I**n 1988-89, despite the bombings and violence engulfing his hometown of Beirut during the height of the Lebanese Civil War, 13-year-old Mustapha El Tawokji had a clear image of peace. He drew a soft and peaceful picture of a dove flying over a bed of roses, winning the first Lions Clubs International Peace Poster Contest and, although he had probably never laid eyes on such a peaceful scene, he could imagine it. Even in a war-torn country like his was, Mustapha could believe peace was possible. The theme of that first Peace Poster Contest was "Peace Will Help Us Grow." Every year since, LCI has proudly continued the contest, with as many as 600,000 children aged 11 to 13 from 65 countries participating. How would these young people, from all cultures, all quarters, all lifestyles, envision peace?

## **Lions Clubs International**

### **Howick College LEO Club report September 4, 2020**

"LEO club is an arm of LIONS International. It is a community-based club run at Howick College and LEO stands for Leadership, Experience, Opportunities. LEO helps students experience and develop leadership qualities through participating in activities around the school and in the community. Although the Covid lockdowns resulted in cancelling some of our planned activities (e.g. helping with Pofiafia), we still managed to participate in others and are proud of the contributions we've made. Some general activities LEO has been a part of include having a stall at the International Food Festival, organising morning tea for our support staff in Support Staff Week, and collecting biscuits and drinks for the Pofiafia Group performers. One of our biggest projects was supervising the Lunch Time Club by running the A Block lunch time games.

This is where us LEO members helped set up and ran board games in A block for students with special learning needs or those who found morning tea and lunch to be socially challenging. This has been a great opportunity for our members, as we have been able to make new friends, help others to enjoy their school experience more and promote inclusivity at Howick College.

LEO has been a great leadership opportunity and we invite those who wish to get more involved in the school to join. A huge shout-out goes to our LEO members for their dedicated efforts this year!"
