President Judith's Message

Hi Folks,

First and foremost - A Very Big Thank You! to Alan Sheath, who has done an Amazing job with the up date of 'The Lions Club Of Howick Process Manual'.

This is true dedication, working behind the scenes with the Process Manual plus doing All our Secretarial work, The Tatler, and many other duties to cover our club obligations; communicating 11's and Christmas Dinner for us too.

I would also like to take this opportunity to Thank both Karen Sheath and Alan, for making their lovely Home very hospitable and open to our club members + partners on various occasions, to enjoy fun celebrations upon our Clubs Special Ceremonies.

I need to emphasize my personal Thanks to Every Club Member and your Families for doing your very best to help push our Vaccination Rate to 90%.

We will survive this pandemic with ongoing vaccination just like they did with Polio, Influenza, Measles, Chicken Pox, Bird Flu, be informed, more will come.

I'm a scaredy-cat when it comes to needles, so I asked my son to join me, and do his first vaccination at the same time. Ryan happily agreed and said Mum lets do lunch after. I felt secure, and Ryan took me to lunch to celebrate our shared health deed.

Aucklanders have a right to feel over it, but Vac = Hi Survival.

President Judith's Message

Business Note:

I have to report that if it wasn't for Covid I wouldn't have approached my local Retirement Homes with Christmas Cake & Calendar sales.

I bought a few samples of each and sent the activities managers 1 of each. I have been successful, and plan to pick up my orders next week.

I will do the same again next year to solidify my position.

If you have old school friends, Teachers that taught at any of our featured 5 schools in the calendar, they will be interested.

Thanks to Jan and her talented Committee Team: Colin, Paul, Grant & Brian

We are very blessed to have an extra commodity on our sales list, especially in level 4-3 to commence the project and 3.2 to sell the product.

It is good to have established school projects with sales goods at this time of year, helps to lift both brandings

The Botany Warehouse Sausage Sizzles are cancelled during 3.2, or level 2, Brian will keep us up informed.

Chips are cancelled at schools till further notice.

Outward Bound has been deferred till next year due to the lack of funds raised this year.

Howick Village Market - Online, Jan will keep us informed.

Jan is promoting Cakes & Calendars Sales outside Jets Gym in main Street of Howick Friday 26th November and 10th December - inform your friends

Regards,
Judith in Lionism

Howick Calendar Photo Competition Winner

PHOTOGRAPHY

McCamish snaps the winning pic

Oskar McCamish from Howick College has taken first place in the Lions of Howick 2022 Calendar competition.

This Howick Lions Club invited Year 9-13 students from Auckland east colleges to submit images for their 2022 Calendar which is now on sale.

The criteria was the photos had to be in the Auckland east area and portrayed either calendar-type scenes, landmark buildings or the local community environment. A large number of entries were received and a panel of judges from Canon NZ chose 12 images – for each month of the year. The judges had no knowledge of the identity of the student or their school.

The judges' commented that all images submitted were of a very high standard and mentioned that

in many of the images, a great deal of thought had been taken to achieve high subject interest and composition.

They also commented that in some cases, the photographers had risen early in the morning to achieve the image effect they wanted.

Some of the colleges' art teachers encouraged their students to get involved in this project and treated the competition as an assignment. The entries were all submitted just as Auckland went into lockdown so the planned exhibition in October of all their work had to be cancelled.

Because of the success of this student competition, the Howick Lions will make it an annual event with the help of the students' colleges to promote their photography skills.

Programmes

Eleveneses are to be held at the Home of Tony and Shona Sunday 28th November. Limitation of 25 Members. Bring Finger Food and drinks. Grant and Annette are to open up their home to members early in the New Year for a Luncheon.

Vaccination Status of Members.

The Health and Safety of all of our members and the public we serve is at the top of our priorities.

With that in mind Secretary Alan raised the issue of the Vaccination Status of our members. It is unlikely that we will be able to enter DMG without a Vaccination Passport, however we meet together in other venues and Secretary Alan shared that he would be uncomfortable being in close proximity to an unvaccinated member and/or guest as whilst himself being doubly vaccinated and may get sick his sister has Stage 4 Lung Cancer and is very immune compromised and he would be devastated if he passed the virus on to her. Other members in the Club are also immuno-compromised or have family who are also immuno-compromised.

There was 100% agreement with the issue raised and it was agreed that Secretary Alan would contact all members to ask for their Vaccination Status so that we can plan and implement our activities in as safe a way as possible.

Howick Lions Club members once again get to meet together at Shona & Tony's Sunday, Nov 28, 2021

Lions Club of Howick Founders Award Winner

This years winner of the Lions Club of Howick Founders Award is Brooke Scully.

Citation from Howick College for Brooke Scully

As a Year 9 student Brooke spent many months out of school and in hospital due to a life-threatening illness. When she returned to school, still managing her illness, each time you spoke with her she had such a positive outlook on life and always a welcoming smile.

An outstanding role model to others, Brooke has never let her illness get in the way of her learning or life. Through successive years she approached school life with great commitment, always striving to give her best and achieving a NCEA Excellence endorsement every year. All the while committing to a wide range of co-curricular activities from

Lions Club of Howick Founders Award Winner

Cricket, Zonta Club, Bacot House Council, International Student Ambassador and school productions to an outstanding role model and leader for Bacot House. To name a few.

Brooke's great love in life is to dance and with her dream career path is heading to a life as a professional dancer. In school she has led many co-curricular dance groups, performed and represented the school to the highest level. This year as her illness returned, never one to let anyone down, her impressive level of commitment was evident as Brooke danced in the production of "Grease". While outside of school, Brooke is working with an American professional choreographer; Brooke works with him and his dance compound via zoom every Monday morning prior to coming into school. Alongside this and prior to covid and as her health allowed, Brooke has danced out of school at the weekends and evenings at corporate functions including the Breakers basketball games.

Brooke is a truly exceptional student. She goes above and beyond in all that she commits to. Throughout her years at Howick College, she has proven she can not only handle anything that comes her way, but that she can then rise-up to new levels, showing outstanding leadership skills, impressive creativity, all while staying humble and putting others first. She has demonstrated great courage, perseverance and resilience as she has been seriously unwell. Brooke is a no excuses, no failures person who has persevered in all areas of her life. Rather than be embittered by adversity she continually shows kindness, generosity, and commitment in all she does.

Brooke's many fine qualities alongside her academic success and commitment given to the wider school, all while managing her health, give testament to her character.

Brooke is one of our finest graduates of Howick College and an exceptionally worthy recipient of the Young Founders (Lions) Award.
